Awards Evening 2014

The annual Awards Evening this term was a wonderful success, which was well-attended by parents, carers, pupils and staff. The evening was a well-deserved celebration of our Key Stage 3 pupils' achievements over the entire academic year.

We were pleased to see the many different awards being presented to our pupils. These included awards for outstanding attainment and progress and the Headteacher's Awards.

The awards indeed show that "Attitude Determines Attitude".

"I am very proud of him. I know he worked very hard this year and I can tell he really enjoyed the evening as much as I did." –Year 7 parent

"I am very pleased. My daughter received awards last year and it is great to see she is doing well again this year." –Year 8 parent

"It was an exciting evening and a great conclusion to the hard work put in by the children." –Year 9 parent

A very well done to the following pupils for their outstanding achievement last year.
