Dear Parent(s)/Carer(s),

I wish you well during a busy half term for our school.

ATTITUDE TRULY DETERMINES ALTITUDE

A full programme of GCSE Revision and Catch-up classes has been taking place. It is still wonderful to observe so many pupils working hard to achieve their full potential. It ensures that our positive ethos enables each pupil to reach a point where they realise the connection between giving up what is seen as "spare time" to attend school to prepare for the future.

There has also been a full programme of activities linked to sports. The Basketball programme has been very popular. During the week I have met pupils from at least six local schools.

THE PUNCTUALITY DRIVE CONTINUES

We will continue with the punctuality drive on Monday morning. The last week of term was extremely effective. Thank you for your support.

I am aware of the transport problems in this part of London. We have to live with these difficulties. They are a way of life. We cannot use them as an excuse.

BUSY SCHEDULES

Our Newsletters will now focus on individual year groups because there are extensive plans around Business and Enterprise, Careers, Work Experience and so on. I am pleased to report that we are extending the trips to Spain this year and hope that as many pupils as possible will visit Barcelona in the summer.

ACHIEVEMENT ASSEMBLIES

The Pastoral Managers have written about our Achievement Assemblies. They were wonderful. We will formally congratulate pupils in the next edition of the Newsletter. Parents and carers have no doubt received letters congratulating the successful pupils.

The Achievement Assemblies were well attended and suitably lively. Unfortunately, parents/carers do not attend

Achievement Assemblies because of the lack of space. Parents/carers will be able to attend our end of year formal Awards Evenings.

GOD IS WITH US

Some parents have written to ask why I end my letters with the mantra, 'God is with us'. It is simple. I am not driven by a particular faith. It is something I truly believe. This mantra can be embraced by all.

Given all the challenges, I truly believe that God is with us. God is especially with our wonderful children. Always.

All good wishes,

J. Tapper
Headteacher

Animal Rescue Project

This week, the Platanos College Animal Rescue Project was launched in the school. This project was initiated by one enthusiastic pupil, Siham Osman in 7B, with the aim of recruiting volunteers to care for and rescue animals in need of help.

In her assembly speech last week, Siham said: "I love animals and I want to become a vet. I think our volunteers will benefit from this project. It is about raising money and helping animals. It will involve visiting rescue shelters and zoos and doing sponsored runs and walks. I also think that the animals will benefit from the human comfort as many come from a rescue home and will have had a traumatised background."

"I would like to thank Ms Tapper for taking this idea on board and making this idea possible."

Platanos College welcomes Cardiff visitors

Pupils and staff of Platanos College gave a warm welcome to two distinguished educationalists from Wales who came to visit the school on 13th February 2013.

**Mr Nick Jarman,
Corporate Director
(People), Cardiff
Council**

Mr Jarman and Cllr Magill toured the school and met a range of pupils from all years. They were interested to hear pupils' views on their lessons, sports activities and after-school clubs, homework, uniform and CHABOP. Of special interest were the pupils' accounts of their experience in various leadership roles such as vice-presidents and presidents of tutor groups, prefects and ambassadors for the school. Pupils also explained how they felt proud of the school and how the new building had allowed them to add positive new aspects to the achievements of the old school.

Over a working lunch the visitors had extensive discussions with Ms Tapper (Headteacher), Ms Phillips, Ms Williams and other staff about pupils' achievements and many other aspects of education in both Platanos College and Cardiff.

Richmond Park Educational Visit

Our pupils in Year 10 visited Richmond Park as part of the Skills Force programme at the school. Our pupils had the opportunity to take part in an orienteering exercise, learning and developing a range of skills.

Our pupil, Liliana Fernandes said: "The trip was really good fun. I also realised how important team work can be in everyday life."

Anne Frank Ambassadors

Our Anne Frank Ambassadors from Years 8 and 9 delivered an Anne Frank Programme to Year 6 pupils at Ashmole Primary School last week.

They presented a power point presentation on Anne Frank's life and the Holocaust and delivered a poetry workshop, an interactive quiz and provided educational clips of survivors from the Holocaust. The presentations were enlightening.

Our Ambassadors were wonderful representatives of the school.
