Graduation Evening 2014

The Graduation Evening this year marked a conclusion to a significant year for our Year 11s and also a beginning of a new chapter for them. The evening was a fitting recognition of the hard work and determination of our pupils throughout the year.

Our graduates were presented with awards for their attainment and progress in the many different subjects.

Two very special awards, the Guy Lee Achievement Award and the Elizabeth Oweradaba Achievement Award, were awarded to the following two pupils:

Hannah Lee (Guy Lee Achievement Award)
Eniola Edusi (Elizabeth Oweradaba Achievement Award)

Attitude Determines Altitude

The evening concluded with a special graduation dinner at the Croydon Park Hotel, which was a wonderful occasion attended by both staff and pupils to celebrate another successful year.

We wish our graduates of 2014 all the success for the future!
