House Assemblies

We had the first House Assemblies of this academic year on Monday 9th October 2017. On arrival to the school, each pupil is allocated to one of the Houses and this is reflected in small details of their uniform. The Houses at Platanos College are named after four of the great rivers of the world: Amazon, Nile, Indus and Tagus. Platanos College House Assemblies promote and embed our school ethos. They serve to motivate through competition and they promote all aspects of pupils' welfare. The rivers represent the journey that all of our pupils embark upon when they join the school and furthermore they signify the diversity of our school community.

Pupils are encouraged to engage in activities that win points for their House and this helps them to develop an understanding of what citizenship means. House Captains are in the process of being chosen which urges pupils to be leaders within their Houses and become role models for their peers.

Currently, Amazon House are in the lead with the most points but Indus are in close pursuit!

Pictured are pupils from the four Houses.
