IntoUniversity 'Leadership in Focus' programme

Our Year 9 pupils had the opportunity to participate in the new IntoUniversity Leadership programme this year.

The exciting programme was a three day course which took place from the 8th January 2014.

The course is designed to help pupils unlock their potential and provide a platform for them to develop their skills and think about goal-setting for the future.

Pupils took part in a variety of team challenges and individual exercises that promoted teamwork, leadership, communication and negotiation skills.

All of the pupils successfully completed the intensive course, which concluded with an awards ceremony in recognition of their hard work.
