The Mayor's London Schools Gold Club

We are pleased to announce that Platanos College is now a member of The Mayor's London Schools Gold Club for excellent schools.

The Club recognises and celebrates exceptional schools that have succeeded against the odds in improving pupils' aspirations and achievements.

The Club also facilitates the sharing of good practice amongst schools.

The Gold Club is based on the belief that all schools can aspire to attain excellence for all their pupils, whatever their circumstances. Platanos College was recognised for this achievement.

The award was presented to the school at The Mayor's Education Conference at City Hall by The Mayor of London.
