1. Please note that the applicant will need to be able to demonstrate aptitude and potential using a **separate bursary application form** (available from the school and the school website).
2. The child will also be **invited for an interview** at a later date decided by the school where the child will have the opportunity to demonstrate their ability (e.g. show an art portfolio or play a musical instrument).

Admissions Test Information

Platanos College shares Admissions Test arrangements with the schools below. All 10 schools hold the same Admissions Test. We aim, in this way, to limit the number of tests children are required to sit.

If you are applying to any of the following schools, your child will only need to sit the test once. Please indicate the school at which you would like your child to sit the test (tick one box only).

| Dunraven <input type="checkbox"/> | St Martin-in-the-Fields <input type="checkbox"/> |
| Lambeth Academy <input type="checkbox"/> | London Nautical <input type="checkbox"/> |
| Lilian Baylis <input type="checkbox"/> | Norwood School <input type="checkbox"/> |
| La Retraite <input type="checkbox"/> | |

Your child **must only sit the test once, at one school only**. Please tick **only one** box indicating where you would like your child to sit the test. Please note you **must** apply to that school directly in order to be able to sit the Admissions Test at that school. If you fail to submit an application direct to the school at which you wish to sit the test, your child may miss the Admissions Test day. Once the test results are known the admissions departments collaborate in sharing the test scores with each of the schools for admissions purposes.

Your child must only sit the test once, at one school only. The application of any child who sits more than one test at different schools will be deemed invalid by those schools.

To be considered for a place at Platanos College, please ensure that you also complete and submit a Common Application Form (CAF) to your home borough. The Common Application Form can be obtained from either your child's primary school or from your home borough.

Declaration

I understand that any false or deliberately misleading information provided in this application may make this application invalid or lead to any offer of a place being withdrawn.
