## Business and Enterprise RISE Challenge

This academic year, our Year 9 pupils have been involved in the RISE (Rural India School Enterprise) Challenge, raising money for our partner school in West Bengal, India.

Our pupils attended after-school workshops aimed at giving them a comprehensive insight into running their own social enterprise business.

The group was divided into three competing teams who put their knowledge into practice over the course of the year by selling products and services to their peers.

### **TEAM GENERATION X raised a net total of £90.56.**

**Overall, a grand total of £400.64 was raised for our partner school in West Bengal!**

Funds raised by the RISE Challenge go towards educational resources for our partner school.

**Our winning team, Team ROAR (Reach Out and Rise), raised a net total of £164.20!**

Team ROAR, as the winning team, then went to compete in the annual HSBC Dragons' Den Final at Canary Wharf on 13<sup>th</sup> July 2012. The team competed against four other schools.

The Dragons' Den competition was attended by several prominent people from the world of business, who were all extremely impressed with the confidence and charisma of our pupils. Team ROAR won the Entrepreneurial Award for Business Acumen, and achieved a respectable 2<sup>nd</sup> place for their presentation in the Dragons' Den.

**The founding member of RISE was also very impressed with the team's acronym and tag line, "Reach Out and Rise", and asked the team if she could utilise it for her charity!**

Our pupils had to deliver a speech and PowerPoint presentation which summarised their learning journey on the Enterprise Challenge and their understanding of enterprise skills, personal learning/development and global citizenship. The Dragons then probed each team with challenging questions and used pre-defined judging criteria to decide on an overall winner.

**Once again, well done Team ROAR, Team HJFU and Generation X!!!**
