Sports Day 2013

Sports Day was a great success yet again this year following on from the Olympic spirit of last year. Sports Day took place on a sweltering hot day with the mercury hitting 28 degrees but this did not deter the pupils' spirit and willingness to participate and push themselves to their athletic limits!

Three new medals were introduced to Sports Day this year. Pupils had the opportunity to win medals for Sportsmanship, Leadership and Determination in the different events in line with the school's continued promotion of spiritual, moral, social and cultural development and Olympic values.

All participating Houses in each year group nominated a male and female Captain and Vice-captain, who enthusiastically carried out various leadership roles including signing up athletes.

Attitude Determines Altitude

The final standings including the National School Sports Week Points were as follows:

1. Nile 313 pts
2. Tagus 310 pts
3. Indus 277 pts
4. Amazon 276 pts

Nile House was crowned champions by a narrow three points! Many congratulations to Nile House this year!

Both pupils and staff showed great enthusiasm and the day brought about great competition and sportsmanship from participants. On the field in abundance were some very good athletes with potentially bright sporting careers ahead of them!
