## The Guardian children's reading project

The first meeting of our new Reading Project successfully took place this week. Following the Guardian Children's Fiction Prize earlier last month, the English department established a reading group for pupils to study and read the shortlisted books.

All of the pupils from the group selected a book to take home for the holidays and the group will meet again after the break to discuss the books they have read.

The school has arranged for the author Alex Wheatle, winner of the Guardian Children's Fiction Prize 2016, to visit the school in the new term. There will be a workshop and a book signing event. We are very much looking forward to this exciting event.
