Year 8 Ambassadors play a vital role in contributing to the wider aspects of Key Stage 3 and make a valuable contribution to the wider school community at Platanos College.

Our ambassadors assist and support Key Stage 4 Trainee Leaders/Prefects, staff and pupils alike. Year 8 Ambassadors are appointed through a formal application process. They play a key role in representing the school at key events and functions and help maintain the smooth running of the school by completing weekly duties in the Key stage 3 building and playground.
