Year 9 Leadership Roles

Last week, pupils in year 9 elected their tutor group Presidents and Vice Presidents. These leadership roles encourage pupils to take ownership of the school and act as a voice to make decisions that affect them as a year group. The students elected act as a link between their class and other groups - school councils and other committees. Presidents have to be willing and able to put forward other people's views even if they disagree with them.

Presidents have four main jobs:

- Collecting the views of the class and passing them on to other committees and the school council (which is made up of the year group presidents and vice presidents for Year 7, 8 and 9).
- Letting their class know what goes on in the meetings they attend.
- Taking an active part in meetings (including year group council meetings which consist of all the other presidents in the year group).
- Organising CHABOP day via year group council meetings.

This year's Presidents and Vice Presidents are listed below:
