

PLATANOS COLLEGE

An outstanding school for
pupils of all abilities

Year 9

Formal Examination Week

Monday 19th November 2018 to Friday 23rd November 2018

Dear Parent(s)/Carer(s),

Your child is now fast approaching their first set of formal examinations this academic year, due to take place from **Monday 19th November 2018 to Friday 23rd November 2018**.

Platanos College considers our pupils' approach to examinations and their performance to be vital. Pupils at the school are very aware of the importance of progress and in meeting and exceeding their targets. The school uses the results from formal examinations to carefully analyse pupils who are not working towards their potential and informs appropriate interventions that will take place after school, on Saturdays and in the school holidays for certain pupils.

At this crucial time in the run-up to your child's exams, I am writing to request your help in their examination preparation. Your child has been given revision guidance for help in planning their revision. **Please read this guide with your child. This will help you play an active part in their examination revision.**

Copies will also be made available on the school's website.

The school would like to thank you in advance for your help, and on behalf of all the teachers at the school, I wish your child every success.

Yours faithfully,

Mr W. Bourke
Acting Deputy Headteacher
