Parade Day 2017

The Platanos College Parade Day was a spectacular affair featuring our Army Cadets, Girl Guides, Scouts and St John Ambulance Cadets on parade. The annual event commemorates the World Wars and promotes peace and community cohesion both nationally and locally through performances by pupils and local groups.

The theme for Parade Day this year was 'Journeys'. At Platanos our journeys are driven by our motto 'Attitude Determines Altitude,' encompassing the journeys we undertake not just at school but throughout our life.

The spectacular event was attended by special guests from The Worshipful Company of Fuellers Mrs Janet Harrison, our Chair of Governors Akin Alabi, Vince McBean from the West Indian Association Service Personnel, along with his colleagues Dr Sydney Marshall, Desmond Garnes, Claude MacKoy and Paul Smith, and Mark Bishop from the Charity British Legion.

Platanos College is truly fortunate in having a close association with the Worshipful Company of Fuellers who support our uniformed groups and who share our vision of developing generations of young people with a strong ethic of teamwork, discipline, responsibility, leadership and service.
